

## Sharing the Journey

On this year long journey of gratitude, Walter Green discovered "gold" and he will share it with you.

His insights will:

- Enrich your important relationships both in your professional and personal lives
- Both enlighten and inspire you to express deep gratitude while you and your life influencers are alive and well
- Provide amazing peace of mind

## About **THIS** is the **MOMENT!**

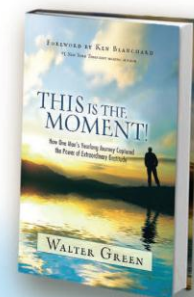

In his book, ***This is the Moment*** and his keynote presentations, Walter takes you on his extraordinary journey of gratitude.

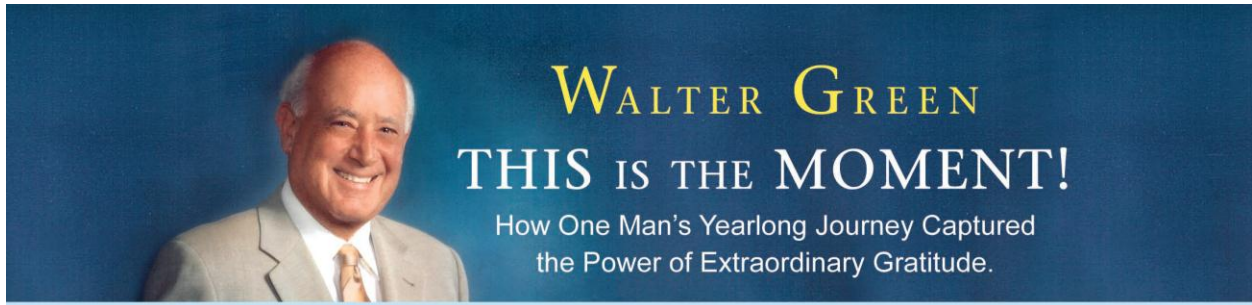

Over the course of a year, Walter Green traveled throughout the United States and abroad to visit 44 of the people who have significantly impacted his life at various stages. During these visits, Walter conveyed his profound gratitude in a purposeful and explicit way. He wanted to tell these men and women how much they mattered to him before anyone's health or life was compromised and the opportunity was missed.

Not only will you accompany Walter on his gratitude journey, but you'll also acquire the tools to create meaningful conversations with your *own* "road-changers," no matter what your age or life circumstance. Your expressions of appreciation will undoubtedly enrich your relationships with them and will provide you with amazing insights into your own life as well.

## About the Author

**Walter Green** was Chairman of the Board and CEO of Harrison Conference Services for 25 years, during which time it grew into the leading conference center management company in the U.S. He's lectured at the Wharton Graduate School of Business and Hofstra and Long Island universities, as well as being featured as an expert on the topic of effective meetings in numerous national publications. Associated for years in the Young Presidents' Organization and the World Presidents' Organization, he's presently an active member of the Chief Executives Organization and the L3 Organization (Leadership, Legacy, Life). Since selling his company, he mentors young adults and is actively involved with several nonprofit organizations.

## Praise for This Is the Moment!

"Truly magical and life-changing! A testimony that the Law of Gratitude is more powerful than the Law of Attraction... A must-read for all!" — **Denis Waitley**, the author of *Seeds of Greatness*

*"My friend Walter Green... has done what few people have ever thought of doing, and that is to go back and revisit all those people in his life who assisted in propelling him forward in his journey. This is a wise, thought-provoking, and provocative endeavor, and a very interesting and inspiring read."*

— **Suzanne Somers**, TV personality and actress; best-selling author of *Knockout*

*"This is not your usual 'how to' book. Rather, it's a compelling, deeply personal accounting of a life well lived and appreciated."* — **Bill Bratton**, former chief of the LAPD and former New York City Police Commissioner

*"Walter Green beautifully captures one man's journey of the heart...May we all open our hearts in this way."*— **Mimi Guarneri, M.D., FACC**, the author of *The Heart Speaks*
